RE: Justification of Jukebox
Royalty Distribution for 1984

Honorable Tribunal:

We are filing our justification for Jukebox Royalties for the year 1984.

We assumed that we were included in the settlement with ASCAP, BMI and SESAC, as we were in 1982 and 1983.

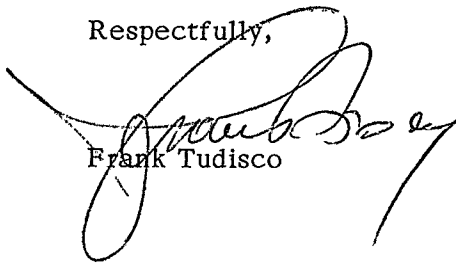

We claim entitlement to 1% jukebox royalties for 1984 based on our vast catalog which contains over 25,000 Italian songs, many of them playing in jukeboxes.

To confirm the popularity of our "repertoire", Polygram Records is going to put out a second Italian record of Luciano Pavarotti containing five (5) of our songs.

Mr. Dennis Angel will be in the office on Monday, November 11th. We would appreciate, if you please, allowing a few days time in order to give Mr. Angel the opportunity to complete this justification and motion for 1984, with this honorable tribunal.

Thank you.

Respectfully,

Frank Tudisco
